

# Extended Payment Credit History

Take charge of your financial health and secure your financial future through our comprehensive credit report that covers 7 years or more of your financial journey.

## Why View My Full **Credit History**?

Gain insights into how your financial decisions have influenced your credit health.

Monitor for any unusual activity over a longer timeframe.

Develop a strategic plan to improve your credit score.

## How It Works:

- 1 After creating your IdentityIQ account, login and head to your Dashboard!
- 2 On dashboard click "View Latest Report".
- 3 On each tradeline you are able to "Expand History" to view payment history as far back as 7 years or more!
