MORE ABOUT OUR FICO® SCORES:

FICO® SCORE 2

This is an older FICO® Score version used primarily in mortgage lending. It may also be used by some lenders for other credit product application evaluations, such as credit cards, personal loans, retail credit, student loans and more.

FICO® AUTO SCORE 2 & FICO® AUTO SCORE 8

This is a FICO® Score version customized for auto lending. Many banks, auto dealers and other lenders use this version when pulling your credit report based on Experian® data.

FICO® BANKCARD SCORE 2, FICO® SCORE 3 & FICO® BANKCARD SCORE 8

FICO® Score 3 is a base version of the FICO® Score used in credit card lending. FICO® Bankcard Score 2 and FICO® Bankcard Score 8 versions are customized on bankcards.

FICO® SCORE 8

This is the most widely used version of the FICO® Score by the major credit bureaus. FICO® Score 8 uses data from all three of the major credit reporting agencies: TransUnion®, Experian® and Equifax®.

Plans may include other features that come standard with our MyScoreIQ plans.

Scoring models vary by lender. We recommend checking with your lender to see what scoring model they use. FICO is a registered trademark of the Fair Isaac Corporation in the United States and other countries.
